

County Administrator's Update

ISLE CARES

September 30, 2019

Dear Citizens,

We have had a busy summer culminating with record attendance at the Isle of Wight County Fair. It was a welcome event after last year's cancelled fair due to Hurricane Florence. I hope that everyone had a great time at the Fair and I would like to thank all the volunteers and staff that worked hard to make it such a success.

The County has been fortunate recently to receive an upgraded credit rating from Standard & Poor's. The rating agency raised our credit rating from AA to AA+. This will help the County receive lower interest rates when we sell bonds to upgrade or replace needed school facilities in the near future. The Board of Supervisors is currently working with the School Board to identify those projects.

I would like to encourage everyone who has an interest in construction or permitting activities in the County to attend the Contractor's Forum on Thursday, October 3rd at 6:00 pm at the Windsor Town Center. We would like to hear from you if you have questions or concerns about the County's processes.

Sincerely,

Randy R. Keaton, County Administrator
Isle of Wight County Virginia
