

County Administrator's Update

ISLE CARES

May 25, 2018

Dear Citizens,

With the County's budget adopted, we are now preparing to close out FY2017-18 and start up a new fiscal year beginning July 1, 2018. In the meantime, we are taking a few moments to recognize Memorial Day.

Memorial Day serves as a reminder to all of us of the sacrifices of those men and women who died while serving in the U.S. military. Some of them were native sons and daughters of Isle of Wight County and we pause to honor them for their service.

Memorial Day weekend, for many, is also recognized as the kick-off of the summer vacation season. So, as you make plans for your leisure travel, please consider checking out some of our local attractions and points of interest. Visit the Isle of Wight Museum, one of our park facilities, or perhaps one of our historic sites, like Boykin's Tavern. Take a leisurely drive and appreciate the natural beauty of our community.

Memorial Day is also a time for family gatherings and outdoors fun. In this regard, on behalf of the elected officials and staff of Isle of Wight County, I extend best wishes for a safe and enjoyable holiday.

Sincerely,

Donald T. Robertson, Assistant County Administrator
Isle of Wight County Virginia

On behalf of,

Randy R. Keaton, County Administrator
Isle of Wight County Virginia
